

CHATEAU  
HAUT  
GOUJON

Greetings,

2020 has finally ended and 2021 is here, bringing new uncertainties.

Winter is when we prune the vines, it is a time of observation and anticipation. *How should we treat each vine so that it gives its best, without exhausting or restricting it?* In addition to the pruning, we continue to reflect on our growing methods as the growth cycle begins again.

Your feedback and your confidence encourage us to continue on our path, motivating us to innovate and keep moving despite these uncertain times. We shall make every effort to surprise you, to maintain our high quality standards and, as always, to accompanying you with your projects.

The pandemic that has been disrupting our lives for almost a year continues to delay the organization of trade fairs and large-scale group events. We are therefore maintaining our offers and promotions until 30 April 2021 **with no price increases**.

We are offering a magnum of Lalande de Pomerol with all orders over € 800.

*We also have a new 12-bottle discovery case representing our entire range (our two appellations, different vintages and our special cuvées) for 220 euros (instead of € 250).\**

Many of you have answered our call to be our ambassadors. Thank you very much. **We continue to survive thanks to you.**

Keep well, stay safe,

*The Château Haut-Goujon team*

**GENERAL TERMS OF SALE:**

1. The act of placing an order implies that the purchaser accepts these general terms in full and without reservation. Unless formally accepted in writing by the vendor, no special condition may take precedence over the general terms. These general terms may be changed at any time without notice by the vendor. The fact that the vendor does not apply a particular provision of this contract at a particular time may not be construed as a renunciation by the vendor of the right to apply any such provisions at a later time. All orders will be considered as accepted by the seller after reception.
2. Any modification or cancellation of an order requested by the purchaser can only be taken into account only if it is received in writing prior to the shipment of the products.

3. Our prices include VAT. Shipping costs to be added. Wines are packed in boxes of 6 or 12 bottles.
4. Payment must be made when ordering.
5. Merchandise may not be returned without the vendor's express written agreement.
6. All of the vendor's obligations will automatically be suspended in the event of force majeure, and notably, but not exclusively, in the event of bad weather, major health incidents affecting the vines, the reduction or stopping of production, supplies, or the means of communication or transport.
