CUVÉE MALBEC

The **only Malbec in the entire Lalande de Pomerol appellation**, this wine is made from a selection of vines on sandy gravel terroir with yields kept intentionally low. A generous, spicy wine with a lovely freshness, mingling flavours of black fruit (blackcurrants, blueberries), flowers (violets), and creamy notes of vanilla. Very well-balanced and harmonious.

Grape variety: 80 % Malbec
20 % Merlot

CUVÉE LIBERTÉ 2016

- NO ADDED SULPHITES -

*This cuvée, produced without sulphur,
was one of **this year's great revelations**.*

*All the members of the jury gave it the highest score, ensuring, in the process, that it was **unanimously** declared a Hachette "top pick".*

*Deep, almost black colour, intense aromas of warm, sun-ripened berries, vanilla and spices: a superb, very seductive nose. **After a lively attack, the palate is magnificent, revealing a harmonious combination of generous flavours, rich substance and silky tannins.** Exceptionally expressive, very long finish. To quote a member of the jury, "Very enjoyable now, while at the same time promising to age extremely well."*

"LA CUVÉE N°1" du CHÂTEAU HAUT - GOUJON

Selection of the best barrels. A wine with a magnificent dark, almost black colour with purple glints indicating potential to improve further with age. **An explosive, seductive nose**, characterized by a pleasant, warm oakiness. Complexity develops on aeration, with **notes of stewed fruit, and sweet liquorice spices**. Very well-balanced, with roundness, body and richness as the palate gradually increases in power.

AOP LALANDE DE POMEROL

CHÂTEAU HAUT - GOUJON

Deep colour with wonderfully intense glints of purple. Powerful bouquet, dominated by notes of **black fruit**, underscored by a light oakiness. The **attack is very direct**, supported by good, smooth substance. Nicely balanced. Notes of roasted coffee and light tobacco, accompanied by soft, ripe tannins. Good length with subtle empyreumatic notes.

Grape variety: 80 % Merlot
20 % Cabernet Sauvignon
